AKASH PRASAD

ASPIRING WEB DEVELOPER | B.TECH COMPUTER ENGINEERING STUDENT

Faridabad, Haryana | +91 9667439775 | akash629856@gmail.com

Portfolio | LinkedIn | GitHub

PROFILE

Aspiring Web Developer and B.Tech Computer Engineering student with hands-on experience building responsive frontend websites and a Python-MySQL application. Familiar with HTML, CSS, JavaScript, Python, SQL and C programming. Completed practical data analytics learning activities involving Excel-based data classification and Tableau dashboard creation. Interested in developing user-friendly web experiences and contributing effectively to individual and team projects.

TECHNICAL SKILLS

- Web Development: HTML5, CSS3, JavaScript
- Programming: Python, C
- Database: SQL, MySQL
- Tools & Analytics: Git, GitHub, Microsoft Excel, Tableau

PROJECTS

Library Management System | Python, MySQL | GitHub Repository

- Built a terminal-based application to support library operations, including adding, removing and issuing books.
- Connected the application to a MySQL database to store and manage book records.

Starbucks Website Clone | HTML5, CSS3, JavaScript | Live Website | GitHub

- Created a Starbucks-inspired responsive website using core frontend technologies.
- Developed the page structure and styling, and used JavaScript to add interactive frontend behaviour.

Vayu Bhraman – Tourism Web Application (Team Project) | HTML, CSS, JavaScript, Python, Django | GitHub

- Collaborated on a tourism application with user-facing sections for Explore, Travel Plan, Events and Emergency.
- Contributed to frontend development and application navigation, supporting the Django-based registration, login and logout flow.
- Worked with the team on connecting the welcome, authentication and feature pages.

EDUCATION

B.Tech – Computer Engineering | 2026 – Present
J.C. Bose University of Science and Technology, YMCA

Senior Secondary Education | 2024 – 2025
Central Board of Secondary Education (CBSE)

Secondary Education | 2022 – 2023
Haryana Board of School Education

CERTIFICATIONS & JOB SIMULATIONS

- Basic Computer – Computer Learning Institute (July 2023)
- C Programming – Computer Learning Institute (June 2025)
- Web Designing – Saha Institute of Management & Technology (SIMT) (June 2026)
- Prompt Engineering Essential Course
- Deloitte Australia Data Analytics Job Simulation – Forage: completed practical tasks involving data analysis and forensic technology; created a Tableau dashboard and used Excel to classify data and draw business conclusions.

ADDITIONAL SKILLS

- Communication and teamwork
- Problem-solving and adaptability
- Time management
- Willingness to learn
